Please note the following:

1. Tender is a public posting on https://www.springlakealberta.com/, the Village of Spring Lake Website.
2. There is no site meeting scheduled. Contractors are advised to conduct a site visit at their own cost to familiarize themselves with site conditions and development constraints.
3. The bidders have no right to make any Claim against with respect to award of a contract, the failure to award a contract, the costs of preparation of the bid, and loss

of any profit and opportunity by the Village's decision not to accept the bid submitted by the bidder.

4. The Village reserves the right to reject any or all tenders and will not necessarily accept the lowest tender.
5. Construction Contract will be provided to the successful bidder following the completion of the bidding process.
6. Construction needs to proceed and be completed in the 2024 spring/summer season.

Questions relating to the tender specifications may be directed, by email, to Nichols Environmental (Canada) Ltd., who is acting on behalf of the Village of Spring Lake, Alberta. The contact information is shown below:
